ABOUT US:

Operating in the Kingdom since 1979, under its former name, **Off- Premises Solutions** has designed, manufactured, and delivered a large number of accommodation units and life support facilities to major companies in the Kingdom and the GCC region with utter professionalism.

Since its restructure, rebranding and relaunch in 2019, **OPS** has been managing its operations through three core divisions: **OPS Production, OPS Rentals and OPS Partners**. With the opening of new division **OPS Glamping** our team is aiming to provide unique leisure experience with our new resort units.

Using premium materials, top-notch technology and innovative designs, **OPS** continues to deliver prefabricated buildings and units for both the public and private sectors.

Whether you are looking for standard modular buildings or seeking unique tailor-made solutions, our team brings you world-class quality that meets the diverse needs of the business and guarantees customer satisfaction.

Today, the company's goal is to be a **"One Stop Shop"** for all off-premises needs and rental solution.
